# Terms & Conditions

## Prices

Subject to change without prior notice.

## Orders and Delivery

All small value or quantity orders will be subject to an additional charge to cover postage and packaging. This charge will be communicated and confirmed to the customer before orders are placed. Orders that are placed within a large group order (Over £300) will not incur an additional charge for postage and packaging.

## Damage and short deliveries

Claims of short delivery or damage will not be recognised unless made within seven (7) days of receipt of goods.

## Warranty

All our products are warranted to be of merchantable quality when leaving Hunts County factory. Complaints of any nature will only be recognised through an authorised agent or distributor. **Distributors are NOT authorised to replace goods without prior approval.** Any goods to be returned on complaint must have freight charges pre-paid to our factory. If an examination proves the defects are of such a nature as to be covered by warranty, the goods will be replaced or repaired without charge. Otherwise the distributor will be notified of the charges to be made for the repair, etc.

## Guarantee

In common with other manufacturers, we find it impractical to give our cricket bats a conventional guarantee. Although we use raw materials of the highest quality both cane and willow are natural materials with unpredictable durability. We are however, concerned with maintaining our reputation for quality and will repair or replace bats which in our opinion, have not given adequate service. We are unable to accept responsibility for bats damaged by misuse (e.g. over oiling, failure to 'play-in' the bat properly, use against cheap cricket balls, etc.)

## Returns Introduction

We understand that from time to time you may wish to return a product to us. We have created this 14 day returns policy to enable you to return products to us in appropriate circumstances. This returns policy applies to all our customers including worldwide deliveries. This policy does not affect your statutory rights (such as your rights under the Sale of Goods Act 1979 and the Consumer Protection (Distance Selling) Regulations 2000).

## Returns

Where you have no other legal right to return a product and receive a refund or exchange, then you will nonetheless be entitled to return a product to us where:

- We receive the returned product within 14 days following the date of delivery of the product
- The returned product is unused, in its original packaging, with any labels still attached,
- and otherwise in a condition enabling us to sell the product as new
- You comply with the returns procedure set out below; and
- None of the exclusions set out below apply.

## Sale items

Please note any items purchased from our sale are non-refundable or you may exchange your goods for another size/product to the equivalent value.

## Returns procedure

In order to take advantage of your rights under this returns policy, you must: Return the item or items in the original packaging with a completed Returns Form which you will have received with your original order. The item is your responsibility until it reaches us. Therefore, for your own protection we recommend that you send any parcels using a delivery service that insures you for the value of the goods.

**You will be responsible for paying postage costs associated with returns under this policy.**

## Exclusions

The following products may not be returned under this policy: **Goods that have been used, worn, washed, modified or damaged in anyway.**

## Refunds

We will give you a refund for the full price of any product properly returned by you in accordance with the terms of this returns policy (excluding the original delivery charges and excluding the costs of returning the product to us). We will usually refund any money received from you using the same method originally used by you to pay for your purchase. We will process the refund due to you as soon as possible and, in any event, within 30 days following the day we received your returned product.

**The cost of postage will be deducted from any refunds even during postage offers, unless the garment is deemed faulty.**

## Improper returns

Where you return a product in contravention of this policy (and where you do not have any other legal right to return the product): We will not refund or exchange the product. We may retain the returned product until you pay to us such additional amount as we may charge for re-delivery of the returned product. If we do not receive payment of such additional amount within 14 days of issuing a request for payment, we may destroy or otherwise dispose of the returned product in our sole discretion without any liability to you.

## Choice of Law

This Agreement is governed by and shall be construed in accordance with the laws of England and Wales.
