January 2022 Junior Cricket update

Happy New-Year to all.

As you may have seen on the newsletter and on the club's website Phil Heaton has agreed to be the lead coach for the juniors' training this coming season.

We aim to start winter training this coming Friday, 21st January, at Canon Slade School with sessions on Jan 21st & 28th Feb 4th 11th & 25th March 4th 11th 18th & 25th finishing Friday April 1st

U9s & U11s 6-7pm

U13s & U15s 7-8pm

There is a cost of £20 per child for the training (the club has subsidized the cost) and information has been sent out via the Spond app, so please check your messages.

We request that no one just turns up – we need to know in advance who is attending - in order to plan properly and create a safe / fun environment.

If you are not on Spond (most are) please contact Leigh Dickinson to confirm attendance.

The email to use is gccupdates@gmail.com

Or via text 07793289166

See you soon

Leigh

N.B. If there are too many children wishing to attend, we will rotate to make it safe and as fair as possible.
